## Sponsorship Opportunities & Agreement

The Montana SHRM State Council is a non-profit organization whose mission is to elevate the human resource profession to the highest standards; and provide education, updates and connections among all Montana human resource professionals.

One way we strive to achieve our mission is our annual Montana SHRM Student Competition. Through this competition, we strive to provide financial support and networking opportunities to Montana students interested in pursuing a career in human resources.

To achieve our outreach and educational goals, we ask you to join us as a business community partner to defray expenses associated with this competition.
