

May 6th Thursday Night Social hosted by Yellowstone Valley SHRM

You are invited to **Zoomnanigans** –Presented by Karen Grosz, CPC

7:00—8:15 pm

What does Karen do? I inspire, and coach, and give teams space to connect and grow. I love to speak, and write, and I cobble out a living by doing all of these things, while still taking time to live the good life. I am a certified coach, a lifelong learner, and pro figure-it-outer, and I am never the smartest person in the room. I just set up the room so the smart people can have amazing, creative experiences. Our Thursday night social has three elements

- Teamwork
- Action
- New Friends!

Our committee tossed, turned, flipped, and even tried dancing to come up with tonight's entertainment! You don't want to miss this!

Wear your visors—decorating them is highly recommended

Grab your beverage and turn your camera on for **Zoomnanigans**

Special thank you to our sponsor Town Pump (\$1,000)
