## MICHELLE COLE

Michelle Cole, RN, BSN, TCRN, is currently the Trauma Program Manager at Providence St Patrick Hospital a level 2 trauma center in Missoula Montana. She has been with Providence St Patrick Hospital for over 16 years. Michelle began her nursing career in the ICU for 10 years. She has also worked in other areas; SANE nursing (sexual assault nurse), school nurse (fill in), and hospice nursing.

In her current position as a Trauma Program Manager she has had training in Active Shooter, Stop the Bleed, and is active in the emergency preparedness in the hospital and community. She is actively assisting in outreach education in the "Stop the Bleed" campaign in her region.

Michelle is married to Shane Cole who is also an RN and works in CVL at St Patrick Hospital. They have 4 children; 2 are nurses, one in college pre-nursing and one is taking his EMT course. She resides in Missoula Montana where she loves hiking and traveling to with her family.
