

CREATING A COLLABORATIVE VISION

YVC SHRM, your Thursday Night Social hosts at the 2020 MT State SHRM Conference are bringing you a night you won't forget!

Create a Collaborative Vision

Led by Canvas Creek Team Building, this evening will be full of color, laughter, and new connections, as, together, we create a

Collaborative 2020 Vision.

Appetizers and Beverages will be served!

Art skills are not required for this event, as you will create *with* a team, and be amazed as the group's creativity carries you through the process.

Used by over 70,000 individuals from the Walmart Home office to the auto body shop down the street, this experience will give you a new appreciation for our community members, and an insight into how teams work when faced with a task that truly can't be completed alone.

6-8:30pm BHCC - Yellowstone and Missouri rooms

Smocks provided, but dress in comfortable clothes.
